Dear Peter ,

You and I have no negitive past with each other and I would like to work to keep it that way. When I heard of the law suit against the city, and then recieved the certified mail on Jan.2nd from you with exhibit A,B, and C, being the simple man I am, I took it that this was evidence for the case, I did not realize you were asking me to process it. I would like to renew your permit to enable you to continue with your project. Because this is now part of a legal action you have filed , I am waiting for legal council from the city's lawyer for my next step in this process

PS. my name is spelled Cichowski

Thanks Dave

Hello David,

I expect you to make a decision on our permits within the next 24 hours, otherwise I will have to assume denial. According to your own admission the application has been sitting on your desk since January 2, 2006
